Members and friends of SWLGS,

We have almost wrapped up another year of Southwest Louisiana Geophysical Society activities. I hope you have attended some of the functions and maybe learned a thing or two. We have our largest, and most expensive, event coming soon:

The 2012 Crawfish Boil and Golf Tournament have been scheduled for Thursday evening, May 16th at 5:30 at Legion Post 69 (the usual spot) and Friday morning May 17th at 8:00 AM, at **Farm d'Allie** course in Carencro - a new venue!

We are making our annual appeal for sponsorship to coincide with the Golf Tournament. Please consider a sponsorship level noted below to help SWLGS continue the technical lunch programs, student scholarships and organizational activities including the golf tournament and crawfish boil. Thanks in advance for your continued support!

As always, we continue our technical lunch meetings on the second Tuesday of each month from September through April. In the event of a conflict that interferes with that schedule, we'll inform members via e-mail and our website.

The annual sponsorship levels and associated benefits are as follows:

Below are other ways you can donate specifically to help us cover the costs of our major annual social function:

- **Hole sponsorship - \$100 (for as many as you want)**

Sign with company logo on golf course, recognition on banner at crawfish boil and golf tournament.

- **Prize donation**

To be given away at either crawfish boil or golf tournament

- **Golf give-aways**

Golf balls, hats, ball markers, etc. (please check with tournament organizers so we don't double up on these)

- **Cash donation**

- *Any other way you'd like to contribute, we'll be very happy to accommodate you.*

We hope you will continue your support of SWLGS, and help us out at whatever level you can. We have a common interest in maintaining an active, vital geophysical society in Lafayette and we appreciate your past support and look forward to your continued sponsorship.
